- ITW Muller

Construction to create the SRN started on April 20th, 1965. Building was completed the next year in April 1966. The first line of service was from Echo to Mulford, TX. In 1967, the track extended to Mauriceville and Bessmay. Then the Evadale branch started construction in June 1988, and then opened in early 1990. Owens Illinois owned the SRN until 1986. Temple-Inland owned the SRN from 1986 until February 13th, 2012 when International Paper acquired Temple-Inland. International Paper is now the parent company for the SRN.
