

Request for Declaration of Cargo Value

The undersigned shipper hereby declares that the value of the goods to be shipped via KCSM as described herein is greater than the limit provided by Mexican Railroad Service Regulations Article 52 and / or KCSM Rules Publication Article 11.4. The undersigned also agrees that KCSM liability will be limited to the amount declared or the actual loss or damage whichever is lower. It is also agreed by the shipper that an additional charge will be made by KCSM for this declaration of higher value and shipper herewith agrees to make payment of such additional charges which will apply to ALL shipments during the coverage period named below. All other terms and conditions concerning cargo liability contained in KCSM Rules Publication will apply.
